Hi there and I hope you are doing well. Here's a short report of our trip to Gjakove, Kosova last week. We arrived in the sunshine at Pristine airport & were welcomed by the Victory church team. Our team of four worked alongside the Victory church team of six visiting many poor families in the local communities. We also visited the Roma colony. Our aim as always is to present The Gospel & show God's love to everyone we meet including the poor, the widow &

the orphan. We packed so much into one week & the response was incredible. We brought groceries for the families we visited & gave out humanitarian aid in the form of clothes, shoes & small gifts of money. Victory church support & encourage over 100 families in these desperate situations & during our time there we saw many living in complete hopelessness & poverty. We prayed for every family we met & tried to help in any way we could but told them that God is the only

A lovely little family who need a new house.

one who can really meet their needs spiritually & provide His hope & Peace for anyone who will come to him. We had an amazing response from many.

There are still major problems in Kosova including unemployment, poor housing, people trafficking (some young girls are being essentially sold by their fathers into arranged marriages they do not want).

Many families also are seeking to live in other European countries as refugees. However many are being returned to Kosova with no place to live & all their possessions gone....the dream of a better life over.

The political & economic situation in Kosova is getting more difficult daily with recent IMF reports telling Government they must cut all benefits.

Over 100 Roma kids listening to the Bible stories.

Our team of 10 had great times of fellowship & encouragement. I've been going there for almost 12 years....the need is still great. BUT the Lord is working in wonderful ways through the local church. We did kids & youth clubs & with the Roma kids in their community. We loved the widows/ladies group which is growing beyond belief & to hear so many great stories of their lives being changed.

Thank you for supporting our work in Kosova. We also thank Pastor Faton & his team for letting us be part of the great work they do in Gjakove.

The Ladies/widows meeting.

If you'd like to know more about our work please just let me know... Many thanks.....God Bless you. Kenny & the UK Team
